## CHAPTER 20

### HEALTH REGULATIONS

#### **SECTION 20-1. Food Service Establishments. Permit.**

No new business license shall be issued nor existing license renewed in Cedar City to operate any food service establishments as defined in the Code of Food Service Sanitation Regulations, Utah State Division of Health, July 16, 1969, Part 1-3, until the applicant has been inspected and issued a valid Food Service Establishment Permit by the Southwestern Utah District Health Department. Note: Food Service Establishment shall mean any fixed or mobile restaurant; coffee shop; cafeteria; short-order cafe; luncheonette; grill; tea room; sandwich shop; soda fountain; tavern; bar; cocktail lounge; nightclub; roadside stand; industrial feeding establishment; private, public, or non-profit organization or institution routinely serving food; catering kitchen; commissary or similar place in which food or drink is prepared for sale or for service on the premises or elsewhere; and any other eating or drinking establishment or operation where food is served or provided for the public with or without charge.

#### **SECTION 20-2. Accumulation of Waste Materials.**

It shall be unlawful for any person to allow garbage, ashes, waste, cinders, tin cans, rubbish, manure, or other refuse to accumulate upon premises under his control or to fail to remove same within twenty-four hours after notification from the Board of Health so to do. All garbage, ashes, waste, cinders, tin cans, rubbish, and other refuse may be ordered by the Board of Health to be hauled away by any collector of garbage, etc. and the owner or occupant of said premises shall be required to pay all expenses thereof.

#### **SECTION 20-3. Accumulation of Manure in Stables and Corrals Prohibited.**

It shall be unlawful for any person having charge of any stable, stall, shed, apartment or yard in which any animal shall be kept, or in any place within the limits of Cedar City in which manure or liquid discharges of any animal shall accumulate or collect, to permit such stable, stall, shed, apartment or yard to be kept in an unclean or unsanitary condition.

#### **SECTION 20-4. Depositing Waste Materials in Gutters and Ditches Prohibited.**

It shall be unlawful for any person to sweep into or deposit any paper or other rubbish in any gutter or ditch within the City limits or to empty in any gutter or ditch any swill, house slops, contents or spittoons, or other filthy refuse. It shall be unlawful for any person to throw or deposit any dead animal or fowl, or any live animal or fowl in any reservoir, pool, canal, creek, or other stream of body of water within the City.

**SECTION 20-5. Unsanitary Conditions Prohibited.**

It shall be unlawful for any person to suffer or permit, or have upon his premises, whether owned or occupied by him, either one or more of the following unsanitary, fly producing, disease-causing conditions, it wit:

1. Manure which is not securely protected from flies.
2. Any privy, vault, cesspool, sink, pit or like place which is not protected from flies.
3. Garbage which is not securely protected from flies.
4. Vegetable waste, trash, litter, rags or refuse of any kind, nature or description in which flies may breed or multiply.

**SECTION 20-6. Garbage Receptacles.**

Every owner, lessee or occupant of any building, premises or place of business, shall provide, at his expense, garbage containers of a type to be approved by the City Engineer which containers shall become the property of the City.

**SECTION 20-7. Garbage Districts.**

The City Council shall from time to time create, and establish in the City, garbage districts as may be necessary for the proper collection of said garbage. Garbage in residential areas in Cedar City may be handled or collected in a different manner than in business areas and the City may make such charge for collections as outlined below.

**SECTION 20-8. Permit.**

It shall be unlawful for any person, firm, or corporation to collect, haul or dispose of manure, garbage, market waste, ashes, tin cans, bottles, dead animals, rags, waste leather, waste paper, night soil or other refuse or waste material, without first obtaining a permit so to do from the Board of Health.

**SECTION 20-9. Hauling Garbage, etc.**

It shall be unlawful for any person engaged in hauling garbage, manure, rubbish, or other matter of any kind to permit, allow, or cause any of said matter to fall and remain in the streets.

It shall be unlawful for any person to convey, transport or haul through or upon any of the public streets, any garbage, swill, market waste, night soil, or pulp, or other similar refuse except in sanitary receptacles especially constructed for the purpose, the same to be subject to the approval of the Board of Health.

It shall be unlawful for any person to suffer, permit, or allow any vehicle loaded with garbage, manure, slops, swill, market waste, pulp or other refuse to be or remain standing upon any public street within Cedar City, any longer than may be necessary for the purpose of loading and transporting the same.

It shall be unlawful to haul any garbage, rubbish, leaves, tree limbs, or other waste material in any vehicle on a public street within the City without having the material properly and adequately covered to prevent the same from falling or being blown from said vehicle.

**SECTION 20-10. City Council May Contract.**

The City Council shall have the power to contract with any person, firm, or corporation to gather, collect, haul and dispose of garbage, paper in which garbage is encased, swill, market waste, ashes, tin cans, bottles, dead animals, rags, leather and other waste materials.

**SECTION 20-11. Board of Health to Issue Permit.**

Upon the making of such contract with the City Council, the Board of Health shall issue to the contractor specified therein, a permit to gather, collect, haul and dispose of such waste material; and no permit shall be granted by the Board of Health to any other person, firm or corporation, covering the same service or districts, unless otherwise ordered by the City Council.

Prior to granting any permit, the Board of Health may prescribe such rules and regulations as it may deem necessary in the conduct of the business of the contractor, unless the City Council shall have contracted for any such garbage removed and in which event, the terms of any such contract shall prevail.

**SECTION 20-12. Board of Health Control.**

Any person, firm or corporation authorized by contract of the City, County, or permit of the Board of Health to collect City refuse shall gather, collect and dispose of the same in the manner and at the times provided by said contract or by ordinance, and the carrying out of such contract and the collection of such refuse and disposition thereof, shall at all times be subject to and under the direction of the Board of Health.

**SECTION 20-13. Interference With Board of Health.**

It shall be unlawful for any person to tear down or remove any quarantine card or flag mentioned in this Chapter without the consent or permission of the Board of Health, or in any manner to hinder, interfere with or delay the Board of Health in the performance of its duties.

**SECTION 20-14. License.**

It shall be unlawful for any person, firm, or corporation to engage in the business of hauling, handling or dealing in garbage, market waste, refuse or filth, or dead animals, without first obtaining a scavenger's license so to do, such license to be provided in Chapter 23.

**SECTION 20-15. Removal of Dead Animals.**

The owner or attendant of any domestic animal which has died within the City limits of Cedar City is hereby required to remove said animal from the City limits at once. It is hereby declared to be unlawful for such owner or attendant to leave such animal within the City limits for more than two hours after said animal has died.

**SECTION 20-16. Regulation of the Sale of Milk.**

It shall be unlawful for any person to bring or send into this City for sale, or to sell in this City, any milk without first having obtained a permit from the Board of Health of this City to do so. Such permit shall be given by said Board of Health whenever inspection of the premises where cows are kept, and inspection of the vessels used to hold milk and test of the milk, it shall appear that said vessels and premises are kept in good sanitary condition, and that the milk meets the requirements of the ordinances, laws and rules adopted by the City and State Board of Health.
