ADMINISTRATION AGENDA – MAYOR AND COUNCIL BUSINESS; STAFF

COMMENTS: ■Mayor – Ken – will you do a study on the price of Cemetery lots. ■Phillips – on item 17 and 18 the date is wrong, it wasn't approved on March 9th, but February 9th. I also want to acknowledge for the City and myself we stand behind the people of Ukraine, there is an outpouring of love and support through the country. We are so blessed to live where we do and stand by those that are trying to have a democratic state. ■Riddle – I was getting on the freeway at the Center interchange going south, to the right off Center Street, the end of 1400 West the City crew was digging out the drainage channel, as we talk about wow is the city going to take action or not, it has been about 1.5 weeks since we decided where to start, we need to give a pat on the back for those lining it up and to the City Employees working early getting that channel cleaned. When they get instruction, they are on top of it. ■AED Conation. Gold Cross Ambulance/Chief Adams. John Miller Director of
