PUBLIC HEARING TO CONSIDER A RESOLUTION REVISING THE 2019-2020 FY BUDGET. JASON NORRIS: Jason – no revisions at this point, I will double check with Danny and Wade. We thought we be up and running on renovating the Mayors Park, that will have to be moved. Phillips – do the funds carryover? Paul – assuming Council approves the RDA budget for next year, the intention is to set down with Engineering, and find out the total carrying forward and get a number to see if we can move forward with overhead Christmas lights, posts, and electrical. We will then work on sidewalk and tree grate issues. Phillips – and banners and brackets on the poles to match the rest and the hanging brackets for the flowers. Jason – fund 57 all the funding stays in that fund, it is a pot of funding until we have a live budget nothing comes back out. Anything spent between now and the end of the month will come out. I will net out the remaining and bring you a revision of all budgets in a few months and carry them forward into 2021 budget. The funding stays there, and we recreate the budget in FY 21.

Chair Adams opened the public hearing, there were no comments, the hearing closed.

ADJOURN: Mayor moved to adjourn at 9:00 p.m.; second by Phillips; vote unanimous.
