**ADMINISTRATION AGENDA – MAYOR AND COUNCIL BUSINESS; STAFF**

**COMMENTS:** ■Isom – it seems so festive to have the trees lighted coming from the parking garage. ■Hartley – Jonathan, prior to you taking over as the Engineer, the intersection by the south Maverick, Mo'Bettahs and Swig, Kit was waiting for the intersection to get paved to put in cross walks. There are a lot of people walking, and the trail ends in the weeds. Can we get that back on the radar and finished up? Also, there is a lot of complaints about the traffic coming from the west running the stop sign, can we paint stop ahead in the road or something to alter drivers to stop. There will be another business there. Jonathan – I know public works paints stop bars, that can make a difference, I will work with Public Works to get that done. ■Phillips – I have had 3 occasions the past week to call the Parks Division to get weeds on City property taken care of. Anthony Pearson has been very attentive, and they have responded very well. ■Swearing in of: Lieutenant Clint Pollock, Sergeant Zac Adams, Corporal Eric Heaps, and Officer Justin Hatch. Lieutenant Roden – we have promotions and a new hire. The promotions came with Lt. Evans retiring we have had some back fill, we promoted Lieutenant Clint Pollock, he has been with the department for 17 years and is well qualified; Sergeant Zac Adams to fill Pollock's his position and Eric Heaps to replace Adams as a Corporal.

Clint Pollock – I have a lot of family, wife and 3 kids, my parents, father-in-law, my two sisters and a niece. Zac Adams – my wife is here, my mom is on facetime, my son Kayger and daughter Piper, as well as my mother and father-in-law. Eric Heaps, my wife Kari, son Lewis, daughter Ceci and my mother Jodi are here.

Lieutenant Roden - Justin Hatch comes from the Sheriff's Office in Corrections. Justin Hatch, I am originally from Henderson, but grew up here. I have a ton of family here, my wife Anna, mother Elaine, brother and sister-in-law, brother and fiancé, Aunt and uncle, in-laws, sister and husband and her daughter. LT. Roden - Hatch missed his POST graduation because of COVID.

Renon Savage administered the Oath of Office. The spouses pinned on their badges.

■Paul - the drillers on Center Street have commenced their work. The work on the redo of the street outside Chevron and Denny's is substantially complete, just finishing up the manholes.

**PUBLIC COMMENTS:** ■Shelley Schneider, I am the director of Liberty Camp for Kids and have been here for 6 years. I want to introduce you to what the camp is. Utah Patriot Camp is a Utah camp started 12 years ago up north and branched out in 12 locations and people from Colorado and Wyoming are calling asking about the camps. I attended one in Bountiful with my son and loved it. The first year here we had 40 participants, it is a weeklong camp, and it takes all year to prepare. The purpose is to inspire our children on what patriotism is. It is not a classroom, we use Frontier Homestead Park, it is hands on to teach liberty principles. We were in the parade and won first place. We had a trailer we found the night before, we had teenagers, our youth leaders for the elementary kids, it is 100% volunteer based, parents and organizations come together. The teenagers were dressed as historical characters, Cicero, natural law, absolutes, people that influenced founders. Hanks and Horas from angle land (England), Jefferson studied their law, he found it was based on Jethro and Joseph law and this is what we are teaching the youth leaders. I want to say thank you for your contributions and for being representatives. This is an awesome cause, and we invite everyone to be involved. Phillips - when is the camp held? Shelley - every June or July, we know the date by February. Isom - your passion is heartfelt.
