General Information Route Map and Schedule

Cedar Area Transportation Service

Schedule times may vary due to up to ten minutes due to passenger pick up and drop off times.

How to Use The Route Map and Schedule
On the reverse side of this guide is a route map. Below are schedules for each trip of the route. Follow these easy steps to plan your bus trip.

1. On the map on the reverse side, find the numbered points you are traveling to and from.
2. Next, find the corresponding numbers on the chart below to establish the schedule for the trip you are traveling on. Round to the nearest whole number.
3. Note that stop numbers follow the order of the stops. On the reverse side of this guide is the route map. How to Use The Route Map and Schedule
