

## Adult Sports Philosophy

Cedar City Sports & Recreation offers the opportunity for adults to compete against others in a safe, fun environment. We offer multiple levels of play when appropriate so that anyone from all skill levels can have an opportunity.

Our adult sports are registered by teams. Any neighborhood, business, or group of friends can gather up and join us. If you don't have a whole team, we do try to cover those "free agents," by making effort to try to match individuals looking for opportunities with teams that compete in our leagues. We provide a free agent list that an individual can register for.

While we recognize that competition is fun, but can be intense, we do emphasize sportsmanship and fair play in our leagues. We want everyone to give their best effort for the team and league, we also want all our participants to walk off the field at the end of the day healthy and happy.

Misconduct at any of our leagues will not be tolerated. Team Managers and the individual participants are responsible for the conduct of their teams.
